

RX20 51.2V 450AH 540AH Lithium Battery

Leading Lithium Battery Factory

FastCharge EKT's lithium batteries carry every detail of the lithium pack system, which will assure you will get the safest and most durable battery during application. FastCharge EKT batteries also meet the highest demands and standards of quality and safety.

Technical Specifications

Technical Data	
Rated Capacity	450Ah or 540Ah
Rated voltage of battery	51.2V
Rated voltage of truck	48V
Rated energy content	23040Wh or 27648Wh
Cell chemistry	Lithium Iron Phosphate
Cell temperature range	-20°C to 60°C
Working environment temperature	-20°C to 50°C
Charging environment temperature	0°C to 55°C
IP Rating	IP54
Weight	650kg and 740kg
Dimension	820 x 625 x 625 mm and 820 x 625 x 625 mm
Charge Data	
Charge time with charger 80/200	105min or 125min
Opportunity charging with charger	50% of rated capacity after 50min or 60min
Application	
Application case	Still RX20

EKT is a product line of EIKTO Tech.
FastCharge Australia is the primary distributor of EKT Products in Australia, New Zealand and South Africa.
